

# 40-DAY LENTEN FINANCIAL FASTING GUIDE

Surrendering to God in the areas of spending, saving, and giving.

## WHAT IS A FINANCIAL FAST?

Fasting is denying yourself things that you need and want in order to elevate your focus towards building a stronger connection with God.

The concept of a financial fast is about submitting our spending, saving, and giving habits to the Lord by denying ourselves the worldly pleasures that money affords us so that we can become closer to God. This time of financial fasting will allow God to redirect our finances to reflect His plan for our financial stewardship.

## WHAT IS LENT?

Lent is a period of fasting for 40 days leading up to Easter, mirroring Jesus' time in the wilderness, where He fasted. It is a time for believers to reflect on our lives, recognize our sins, and turn back to God with all our heart. Lent is a time to be devoted to fasting, abstaining from pleasures, and increasing our focus on Jesus and His sacrifice.

## DAILY JOURNAL ENTRY:

**Keep a digital or paper journal. Answer the following questions with every devotional, every day:**

1. What I learned from today's devotional entry was?
2. How is God leading me to manage my finances better/differently?
3. What I am feeling today about my finances?
4. What was easy for me about the financial fast today?
5. What was difficult for me about the financial fast today?

## FASTING GUIDELINES:

- **Only purchase** essential items for life such as food, medication, personal hygiene products, required clothing, essential items for your family, and essential items for your home.
  - When things outside of your essentials list come up, say “NO”. Deny yourself! “NO” to restaurants, shopping, entertainment, etc.
- **Set spending goals.** If you don’t have a budget, make one. Determine what you will spend money on in advance so that you can have alternative options available for meals (from home), entertainment (that’s free), and plans for all essential purchases.
- **Set savings goals.** Aim to save at least 10% of your income, if possible.
- **Set giving goals.** Tithe faithfully and give to those who are in need.
- Get a journal and write your feelings, fears, frustrations, or successes on the journey. You can record your spending, saving, and giving progress each day towards the goals you have set.
- Engage in the daily journal devotional prompts. Take the time to express yourself clearly.
- **PRAY!** Remember that fasting and prayer go hand-in-hand. As you deny yourself financially, be sure to read scripture and pray, inviting God to guide and transform your relationship with money.
